NOTE TO PARENTS

ACSA students have the opportunity to train with teachers who are industry professionals. Thus exposing our dancers to the ethics, passion and dedication of the industry plus offering invaluable networking opportunities. We believe that the life skills learned by the student in the 'dance journey' are invaluable, they learn to believe in themselves, to compete, to set goals, to persevere, to negotiate, to present themselves, culminating in self assured confident young adults ready to make their mark on the world. ACSA loves positive family values – and punctuality.

ACSA COMPETITION COMPANY

This is an elite group of dancers performing group routines in competitions and at other events; who also compete in solos at the competitions. They train to achieve technical excellence, theatrical skills, high performance & production values. Rehearsals incorporate motivational classes and instruction to develop the young performer to the highest possible standard. To participate in the ACSA competition company you need to be taking 'Unlimited' classes.

SOLOS, DUOS, TRIOS

Competitions are a valuable tool in your child's dance journey. We are happy to discuss with you the competition adventure if this is a choice you would like to make for your child. Ask for an info sheet on ACSA competition rules and expectations on eligibility for solos. To be considered for a solo you must be taking "Unlimited Classes" and ballet.
